## PRESIDENTS REPORT – APRIL 2018

Hello everyone and welcome to this month's newsletter.

This time of year is the busiest for most hunters and with the increased numbers of hunters going bush safety is the number one priority. Identify your target!!!

Don't forget to pay your subs before going bush as you must be financial to enter in the competitions. Tim has had a lot of members renew online which is great but for some the important step of transferring the money has not happened, so please check to make sure you have paid.

Measuring night will be Tuesday 15<sup>th</sup> May at the club rooms and please present your trophies in a clean non-maggot condition to make the task of measuring more pleasurable. Conditions of entry and photographic information will be printed in this newsletter.

If you were a trophy winner last year could you please return trophies either on the next two meeting nights or on measuring night.

On Sunday the 11<sup>th</sup> of March we held a pre roar shoot and Range Admin building opening. Thanks must go to Dave Harris for organising the shoot and the BBQ and also thanks to Tracy and Jill for helping out. The majority of shooters enjoyed the deer targets (shot standing @ 100m) simulating the real thing!!! Some of the deer escaped with minor wounds.

We would like to have a speaker to entertain us on the Annual Dinner evening so if any member has contacts or knows someone please contact me.

That's it for this month.....Stay safe out there

Clyde

## CLUB HUNTS – GETTING YOU THERE AND BACK SAFELY

Just a quick note to inform you all about a new system that we're trialing for our 2018 hunting calendar. Many of you were attendance when our NZDA President, Bill O'Leary, spoke at a club night in 2017. He informed us all about our obligations under the new H&S laws, so in order to help meet them we're going to be trialing a 'signup' system for all club hunts. We've also recognized that many of our hunts require a lot of organization (e.g. the Thar hunt) so this system will help everyone involved. Details for signup...

- All participants wanting to participate in a planned club hunt need to signup at a club night.
- Signup forms for various hunts will be set out on a dedicated 'hunts' table and hopefully the organisers will be there to have a yarn with you.
- This will help insure the hunt organisers get a chance to meet you before the hunt and where necessary they can make allowances/provide recommendations for things like equipment or access.
- As part of this you will need to supply contact info for an emergency contact and info about any safety equipment you'll be carrying.
- As well as making us more organized, we hope this will grow participation at our club nights and allow new members to form new contacts with experienced hunters.

If anyone has any questions or suggestion to help improve this process please contact Tim, or feel free to have a yarn with any of our committee members.

# CODE OF ETHICS

*A peculiar virtue in wildlife ethics is that the hunter ordinarily has no gallery to applaud or disapprove of his conduct. Whatever his act they are dictated by his own conscience, rather than by a mob of onlookers. It is difficult to exaggerate the importance of this fact.*

Aldo Leopold, The Sand County Almanac.

A member of the New Zealand Deerstalkers' Association Incorporated will be expected to;

1. Approach recreational hunting from the highest possible level of ethics, having due regard to the welfare of the animals hunted, and prevention of cruelty to the same
2. Not hunt or carry a firearm on property without the proper approval of the owner, occupier of controlling authority and shall strictly observe any conditions imposed upon him
3. Be a responsible firearms owner and abide by current Firearms Laws
4. Avoid unnecessary or deliberate damage to the environment, respect property, and other users of the outdoors
5. Advocate sensible conservation practices at all times and promote New Zealand's biodiversity 'in situ'
6. Practice the Field Guidelines when out hunting
7. Be exemplary members of NZDA by promoting and abiding by its Rules, Field Guidelines and this Code of Ethics.
