## PRESIDENTS REPORT – JULY 2018

Welcome to this month's newsletter

The annual dinner and prizegiving are over for another year and although we ran two separate events this year just to try something different the numbers attending followed a downward trend similar to the last few years. Peoples priorities have obviously changed and with work pressure and family commitments increasing it seems that all clubs and organisations are suffering the same problem. The big question for the committee is what we do for the future when making decisions on how these events should be run. Your feed back on how we run these events would be appreciated.

I would like to thank Stacey (Hamills) for donating some great prizes for the raffle at the dinner. Please support Hamills as they support our club.

The hut building project is under way with Stan and Les having completed the wood shed, tank stand and toilet. DOC staff have flown in a small digger to clear the site and so progress will only be hindered by the weather. If you have visited the club rooms lately you would have noticed some work has been done on the driveway. We intend to continue with this and complete the car park area and bring it up to a better standard.

This months meeting is the AGM and it would be great to see a good turnout. It is the members opportunity to see how the club is performing financially, and also a good time for members to comment or contribute to help the club for the future. That's it for this month, hope to see you at the AGM.

Clyde

## CLUB HUNTS – GETTING YOU THERE AND BACK SAFELY

Just a quick note to inform you all about a new system that we're trialing for our 2018 hunting calendar. Many of you were attendance when our NZDA President, Bill O'Leary, spoke at a club night in 2017. He informed us all about our obligations under the new H&S laws, so in order to help meet them we're going to be trialing a 'signup' system for all club hunts. We've also recognized that many of our hunts require a lot of organization (e.g. the Thar hunt) so this system will help everyone involved. Details for signup...

- All participants wanting to participate in a planned club hunt need to signup at a club night.
- Signup forms for various hunts will be set out on a dedicated 'hunts' table and hopefully the organisers will be there to have a yarn with you.
- This will help insure the hunt organisers get a chance to meet you before the hunt and where necessary they can make allowances/provide recommendations for things like equipment or access.
- As part of this you will need to supply contact info for an emergency contact and info about any safety equipment you'll be carrying.
- As well as making us more organized, we hope this will grow participation at our club nights and allow new members to form new contacts with experienced hunters.

If anyone has any questions or suggestion to help improve this process please contact Tim, or feel free to have a yarn with any of our committee members.

# CODE OF ETHICS

*A peculiar virtue in wildlife ethics is that the hunter ordinarily has no gallery to applaud or disapprove of his conduct. Whatever his act they are dictated by his own conscience, rather than by a mob of onlookers. It is difficult to exaggerate the importance of this fact.*

Aldo Leopold, The Sand County Almanac.

A member of the New Zealand Deerstalkers' Association Incorporated will be expected to;

1. Approach recreational hunting from the highest possible level of ethics, having due regard to the welfare of the animals hunted, and prevention of cruelty to the same
2. Not hunt or carry a firearm on property without the proper approval of the owner, occupier of controlling authority and shall strictly observe any conditions imposed upon him
3. Be a responsible firearms owner and abide by current Firearms Laws
4. Avoid unnecessary or deliberate damage to the environment, respect property, and other users of the outdoors
5. Advocate sensible conservation practices at all times and promote New Zealand's biodiversity 'in situ'
6. Practice the Field Guidelines when out hunting
