## PRESIDENTS REPORT – MARCH 2019

Hello everyone and welcome to this month's newsletter. The roar is fast approaching and its time to get all your gear sorted for the next few months of hunting. This month's meeting is at Hamills and will be the ideal opportunity to purchase any hunting or fishing requirements for upcoming trips. To be eligible

for our hunting competitions you must be a financial member so if you haven't already renewed please do so on the meeting night. We will draw a name out of the hat for all those who have renewed and the prize will be \$100 Hamills voucher.

As previously communicated by Tim, we will not swap range keys at the moment so your existing key will open the range gate until further notice.

The February party hunt at the Te Tuhi Junction was well attended by nine hunters which is great to see and makes the effort put in by the organisers worthwhile. One deer was taken and a number of animals seen or spooked.

Don't forget if your going bush and require a PLB please make use of the club's PLB's as we have ten units available.

The family weekend at Tapu was fantastic and I'm sure those who attended enjoyed the weekend. Thanks must go to Stan and Arendina for hosting all the campers and looking after everyone. The weather was perfect as usual and the fishing was up to Stans high standard with the snapper queuing to get on Stans boat.

The Clubrooms require some maintenance such as painting fascia and barge boards, and also the pavers require relaying. I will send out an invitation for volunteers to help with these tasks in the next few weeks so if you can help it would be appreciated.

That's it for this month see you on club night at Hamills.

Clyde

**CLUB HUNTS – GETTING YOU THERE  
AND BACK SAFELY**

Just a quick note to inform you all about a new system that we're trialing for our 2018 hunting calendar. Many of you were attendance when our NZDA President, Bill O'Leary, spoke at a club night in 2017. He informed us all about our obligations under the new H&S laws, so in order to help meet them we're going to be trialing a 'signup' system for all club hunts. We've also recognized that many of our hunts require a lot of organization (e.g. the Thar hunt) so this system will help everyone involved. Details for signup...

- All participants wanting to participate in a planned club hunt need to signup at a club night.
- Signup forms for various hunts will be set out on a dedicated 'hunts' table and hopefully the organisers will be there to have a yarn with you.
- This will help insure the hunt organisers get a chance to meet you before the hunt and where necessary they can make allowances/provide recommendations for things like equipment or access.
- As part of this you will need to supply contact info for an emergency contact and info about any safety equipment you'll be carrying.
- As well as making us more organized, we hope this will grow participation at our club nights and allow new members to form new contacts with experienced hunters.

If anyone has any questions or suggestion to help improve this process please contact Tim, or feel free to have a yarn with any of our committee members.

- FIREARM LICENCING -

The committee has agreed to allow me to offer to people going for their first firearms licence the opportunity to attend a safety lecture on the seven safety rules and other useful tips around handling firearms at our branch clubrooms.

So please tell your family members and friends who wish to obtain their first firearms licence that these lectures will take place on the first Thursday of the month starting on 7 March. Start time will be 7.00pm and will last approx. 2 hours. There will be an entry fee of \$10.00 adult and \$5.00 high school student. Sorry Cash only

This has come about because of the changes that police have made for obtaining your first firearms licence, people are expected to learn this theory by online learning.

# CODE OF ETHICS

*A peculiar virtue in wildlife ethics is that the hunter ordinarily has no gallery to applaud or disapprove of his conduct. Whatever his act they are dictated by his own conscience, rather than by a mob of onlookers. It is difficult to exaggerate the importance of this fact.*

A member of the New Zealand Deerstalkers' Association Incorporated will be expected to;

1. Approach recreational hunting from the highest possible level of ethics, having due regard to the welfare of the animals hunted, and prevention of cruelty to the same
2. Not hunt or carry a firearm on property without the proper approval of the owner, occupier of controlling authority and shall strictly observe any conditions imposed upon him
3. Be a responsible firearms owner and abide by current Firearms Laws
4. Avoid unnecessary or deliberate damage to the environment, respect property, and other users of the outdoors
5. Advocate sensible conservation practices at all times and promote New Zealand's biodiversity 'in situ'
6. Practice the Field Guidelines when out hunting
