PRESIDENTS REPORT – JULY 2019

Hi Everyone and welcome to this month's newsletter.

The cold weather has finally made an entrance for the winter and I guess it will keep some hunters at home in front of the fire.....cosy and warm. The recent party hunt at Maungapahatu was successful with deer and pigs being taken and a good number of hunters taking advantage of this organised hunt to access this area.

The measuring night is over for another year and it was great to see some juniors entering heads for measuring and juniors entering photos for the competition. The results for our competition will be included in this newsletter.

This month's meeting will be our Annual General Meeting and those on email or post should have received notification of the meeting agenda and business to be attended to at the meeting. Please make an effort to attend the meeting to support those members who have worked hard over the year to keep the club going. I would also like to take this opportunity to invite any members who feel they can contribute in some way to come along and support your club.

The speaker for the August meeting will be Trevor Chappell, the National President and he wants to convey some initiatives that Nat Executive are working on.

Notice to range users. Please take all your rubbish home as it is creating a problem at the range attracting rats and possums due to food scraps being dumped in the bin. When there is an organised event rubbish bags can be used and taken away on the day. Thank you in advance!!

That's it for this month and hope to see you at the AGM.

CLUB HUNTS – GETTING YOU THERE AND BACK SAFELY

Just a quick note to inform you all about a new system that we're trialing for our 2018 hunting calendar. Many of you were attendance when our NZDA President, Bill O'Leary, spoke at a club night in 2017. He informed us all about our obligations under the new H&S laws, so in order to help meet them we're going to be trialing a 'signup' system for all club hunts. We've also recognized that many of our hunts require a lot of organization (e.g. the Thar hunt) so this system will help everyone involved. Details for signup...

- All participants wanting to participate in a planned club hunt need to signup at a club night.
- Signup forms for various hunts will be set out on a dedicated 'hunts' table and hopefully the organisers will be there to have a yarn with you.
- This will help insure the hunt organisers get a chance to meet you before the hunt and where necessary they can make allowances/provide recommendations for things like equipment or access.
- As part of this you will need to supply contact info for an emergency contact and info about any safety equipment you'll be carrying.
- As well as making us more organized, we hope this will grow participation at our club nights and allow new members to form new contacts with experienced hunters.

If anyone has any questions or suggestion to help improve this process please contact Tim, or feel free to have a yarn with any of our committee members.

Hunting Permit - Have you got one.

Just a reminder to all hunters no matter which area of DOC land you are hunting - BE SURE TO HAVE A CURRENT PERMIT. Of recent times while in the presents of DOC staff who have confronted 3 separate hunters and requested to see their permit in our local area none of them have been able to produce a permit. It costs nothing and takes only 2 minutes on your phone or computer.

By not having a permit you are in breach of fire arms code and with everything that has gone down over mass shootings and new fire arms laws the enforcement is only going to get more rigid.

In my experience there is also too many guns being taken into huts or near huts with closed bolts. Even if you have checked and are positive that your gun is safe anybody else seeing your gun has any idea that you have done the right thing or not. It is not hard to just remove the bolt in most guns before putting the gun in the least conspicuous place you can find. You might stay to hell with others but as the public are getting more and more paranoid about firearms I think it is up to us as responsible firearms licence holders to display as much empathy as is practical for the privilege of holding such licences. Once it was our right but it is fast becoming a privilege to hold a firearms licence.

MAUNGAPAHUTU BRANCH HUNT

On 31st May to 3rd June 11 members left from the clubrooms and travelled down to the Te Ureweras even though the weather was looking dodgy for the Friday but the prospects for the remainder of the weekend was looking better. Fortunately the rain stopped as we arrived so were able to get to the hut and get camps established reasonably dry. It was cold with snow on the mountain on Saturday but nothing some winter woollies couldn't cope with. The track to the hut is in a poor state making the trip in longer and more difficult. Most of the tracks in the area have had little or no work done on them. Hunting around the front country has had plenty of pressure forcing the deer to come out mainly at night. However the further away from the farm edge the numbers of animals increased and were a lot less flighty with 5 deer and 2 pigs shot.

It was a good trip with meat for all and fine weather for the most parts of the trip.

TE WHARE OKIOKI PROGRESS

Since my last report in the May newsletter we have made good progress on the Te Whare OkiOki building project despite the wet and cold weather. After careful scrutiny of the weather forecasts and making the most of the weather opportunities not only during the weekend but also during the week we have now completed the plastering and painting (with the help of heaters and fans for drying), the deck roof and cladding is almost complete, the bunks and benches have been fitted.

The main jobs yet to be completed is the installation of the fireplace, finalising the storm and waste water drainage, landscaping, lighting, meat safe and some minor finishing on the building. One more major effort will see building ready for the final council building inspection and as soon as the other minor works are completed then DOC can complete their protocols. After this the opening will take place, which I expect will be August sometime. This will involve not only our club but also Kaimai Ridgeway Trust, DOC, IWI, councils and especially all those volunteers and suppliers who have contributed to this project.

The hut has already been listed on the DOC website and is a serviced hut that must be booked to ensure space is available. The bookings will not open until after the completion of all the formalities.

BOP BRANCH PERSONAL LOCATOR BEACONS (PLB's) FOR HIRE

Available to Branch members for hire. These devices can save lives by drastically reducing Search and Rescue times.

Members will need to:

1. Book the units in advance.
2. Be a current member and show their membership card when picking them up.
3. Fill in an Outdoors Intention Form to be held by the Branch custodian issuing the unit.
4. Pay a \$40 cash bond, refundable on return, in original condition and on time.
5. Pay a \$10-20 donation per trip, on return, for hire of the unit.

Hire will be on a per trip basis, based on a maximum of a 21 day trip. The units will not be insured because of the cost, so any damage or loss will be payable by the user (approx. \$640). There is no cost for the renewal of the unit if it is used in an emergency but if possible we will need it returned. Any costs incurred for rescue by emergency services or false PLB activation will be the sole responsibility of the user.

Branch PLB Custodians:

- Dean Maisey, Welcome Bay, Ph. 544 2207
- Keith Theobald, Greerton, Ph. 578 1195
- Baden Prentice, Bethlehem, Ph. 579 3107 (pick up can also be made from Newton St, Mt Maunganui by prior arrangement)

CODE OF ETHICS

A peculiar virtue in wildlife ethics is that the hunter ordinarily has no gallery to applaud or disapprove of his conduct. Whatever his act they are dictated by his own conscience, rather than by a mob of onlookers. It is difficult to exaggerate the importance of this fact.
Aldo Leopold, The Sand County Almanac.

A member of the New Zealand Deerstalkers' Association Incorporated will be expected to;

1. Approach recreational hunting from the highest possible level of ethics, having due regard to the welfare of the animals hunted, and prevention of cruelty to the same
2. Not hunt or carry a firearm on property without the proper approval of the owner, occupier of controlling authority and shall strictly observe any conditions imposed upon him
3. Be a responsible firearms owner and abide by current Firearms Laws
4. Avoid unnecessary or deliberate damage to the environment, respect property, and other users of the outdoors
5. Advocate sensible conservation practices at all times and promote New Zealand's biodiversity 'in situ'
6. Practice the Field Guidelines when out hunting
7. Be exemplary members of NZDA by promoting and abiding by its Rules, Field Guidelines and this Code of Ethics.
