PRESIDENTS REPORT: FEBRUARY 2021

Hi everyone and welcome to this month's newsletter.

I hope you have all had an enjoyable Christmas and New Year break and ready for a new year that will hopefully not be interrupted by Covid as it was in 2020.

For our first club night for the year (Tuesday 2nd Feb) we will have a guest speaker and we will also put on a supper. The Speaker is Graeme Warrender the President for the NZ Bowhunters Society so please make the effort to come along to listen to Graeme and catch up with other members.

We have a new Editor for our newsletter in Nik Maxwell who most of you will recognise the name from NZGUNS, so thanks Nik for taking this on. A big thank you to Claire Maisey for her contribution of producing this newsletter for the club over the last 10 or 11 years. The club would not thrive without people who have contributed as Claire has done over many years.

By the time you read this newsletter the Tapu Family weekend will be close and hopefully you will have all read my email re attending either for the whole weekend or just for the Saturday evening. If you haven't read it... hurry up!

Some of you may have noticed a cool room being constructed at the club rooms which is now nearly complete. Reuben and his brother have constructed this for members to use, and he will manage the process of access for those members wishing take advantage of this facility. Reuben will post the details and rules once this cool room is up and running.

The party hunts meeting at the Judea Tavern saw eight members attend and as a result we have a plan for the year. I'm hopeful there will be enough interest in what's planned to keep everyone happy and we will see good support at each hunt. If you have any other opportunities or ideas to contribute or assist with the party hunts please let us know.

That's about it from me so hopefully we will see you at the club night.

FAMILY WEEKEND

Friday January 29th to Mon 1st Feb 2021 (Auckland Anniversary Weekend)
Riverside Retreat
31 Tapu Coroglen Road
Thames Coast
(Stan & Arendina Lowe's)

In addition to our wonderful family weekend we are now including the 70th Anniversary of the BOP Deerstalkers Branch

Come and reminisce with members young and old. Reveal those great hunting and club stories from years ago. Bring photos if you have them.

There will be a special gathering on Saturday evening with a potluck style BBQ and cake cutting for this commemoration. Even if you cannot stay the whole weekend make an effort, as this is something special for our branch.

Enjoy a weekend of fishing, boating, kayaking, swimming, walking, and biking on Hauraki Rail Trail or just relaxing with the family and other club members. Heaps of other activities and lots of space to do it in.

Bring your camping gear, caravan, camper van or stay in our cabins (several available) at Riverside Retreat or across the road in self contained flat. Other holiday accommodation can be arranged if none of the other options is to your liking.

Facilities at Riverside include non flush toilets, shower, large BBQ area with NZDA marquees, fridge and freezer space, local shop with takeaways, safe swimming whole in river, shellfish collecting, school playground plus the whole of the Coromandel Peninsula.

WHAT TO BRING: Sun screen, insect repellent, food & drink and usual camp gear and the toys you enjoy or even a deck chair and a good book.

Sunday night we will have a group BBQ with heaps of snapper. Bring salads and potluck food to share.

COST: \$15 per adult per night, students \$5 per night, under 5 years free.

If you have any specific requirements give me a call, as I am sure we can make it happen.

Please phone Stan on 07 868 4515 or email lowe2147@gmail.com to discuss your requirements even if you require all the home comforts we can arrange that also.

ED'S NOTE:

DEAR READER,

This author would like to let you know that my time as editor on the NZDA BOP Newsletter has come to an end. I would like to thank you all for letting me be a part of the club in this role for the last (almost) 10 years!

It has been a pleasure, I have learnt more about hunting and bushcraft than the 20-something vegetarian who first took this on ever thought she would!

One thing that has stood out over the years is the camaraderie and support within the club and this shines in the stories I have received.

Now, more than ever, in this world we need to do two things of great importance:

1. Support each other, and
2. Spend time in our own big backyard - New Zealand.

Get out there! Go bush! And keep up the great work!

Nik Maxwell will take over the Editor role - he can be contacted on editor@deerstalkersbop.org.nz

I will still clear the claire71@gmail.com email and forward on any Deerstalkers content to Nik.

Thank you!

Claire

CODE OF ETHICS

"A peculiar virtue in wildlife ethics is that the hunter ordinarily has no gallery to applaud or disapprove of his conduct. Whatever his act they are dictated by his own conscience, rather than by a mob of onlookers. It is difficult to exaggerate the importance of this fact."

Aldo Leopold, *The Sand County Almanac*

A MEMBER OF THE NEW ZEALAND DEERSTALKERS' ASSOCIATION INCORPORATED WILL BE EXPECTED TO:

1. Approach recreational hunting from the highest possible level of ethics, having due regard to the welfare of the animals hunted, and prevention of cruelty to the same.
2. Not hunt or carry a firearm on property without the proper approval of the owner, occupier of controlling authority and shall strictly observe any conditions imposed upon him.
3. Be a responsible firearms owner and abide by current Firearms Laws.
4. Avoid unnecessary or deliberate damage to the environment, respect property, and other users of the outdoors.
5. Advocate sensible conservation practices at all times and promote New Zealand's biodiversity 'in situ'.
6. Practice the Field Guidelines when out hunting.
7. Be exemplary members of NZDA by promoting and abiding by its Rules, Field Guidelines and this Code of Ethics.

HUNTING SAFETY GUIDELINES

Some suggestions from committee discussions.

1. It is recommended that hunters wear Hi-Viz clothing at all times while in the hunting block.
2. Alcohol may only be consumed after the days hunting is completed.
3. Illicit drugs will not be tolerated.
4. Only load your weapon when ready to shoot at your quarry.
5. Identify your target beyond any doubt.
6. Check the firing zone for people, non-target stock, buildings etc.
7. Never fire above the skyline.
8. Unload your weapon with the barrel pointing away from any potential hazards.
9. Never skylark with weapons.
