Presidents Report's - August 2016

Hello to you all

The NZDA Annual Conference was held in Auckland on the 15th- 17th July with Keith, Stan, Reuben, Bob and myself attending. I think it would have to be one of the better conferences I have attended with some positive outcomes and a framework set up to introduce some much needed changes to the organisation. The Lower Hutt Branch should be congratulated for being the main driver behind this and positive support shown from National Executive. The four key area's outlined will focus on Hunting, Growth, Rules and Information. We look forward to helping Lower Hutt Branch as they tackle each of these areas to improve the organisation. The recent changes we have introduced into our own branch such as Facebook and updated website are in line with the direction of the "Information" discussed at conference.

The number of heads entered in the AHT competition were down from previous years and I think in hind sight (small joke there) we should have entered some more of our heads. Congratulations to Alex Shorrock, his goat head was a clear winner and secured trophies in the main section and for juniors. In the photographic competition we gained placings or highly commended for photos taken by Jamie Fairbairn, Sharon Sorenson, Murray James and Clyde Rogers. These all contributed to a 2nd place in the overall Ian Wright Award. Well done to you all.

The Lower North Island Red Deer Foundation have asked for financial help to combat the pending WARO activities and conditions. This will go to court in the next few months and the committee voted to support the foundation by donating \$2500.00. For those interested in this should link into the LNIRDF face book page for progress.

After the discussion at the AGM on the administration building at the range the committee has decided to continue with this project which may require the Club to contribute the balance of funds required. We have \$75000.00 contribution already but if we don't use it within a prescribed period we will lose it. The Branch has had significant funds donated already to progress of the range and our other activities so it is not unreasonable for us to use some of our own funds.

We still require a volunteer for duties in the kitchen on meeting nights and the committee has decided to ask for a volunteer on the night. One night a year would be easy so please put your hand up. The alternative is no bar!!!

Debra Quaadgras the editor for NZ Outdoor Hunting will be at the next meeting and will give away a subscription for the magazine. This will be a door prize so get your free ticket and see how your lucks holding out.

This month's meeting will be a "Buy Sell Swap" so bring along all the stuff you want to get rid of. Unlike Trade me there will be no commission to pay.

Keith will be looking for volunteers to help out on the Hunts Course at Waikaremoana so let him know if you can help.

Regards Clyde

CODE OF ETHICS

A peculiar virtue in wildlife ethics is that the hunter ordinarily has no gallery to applaud or disapprove of his conduct. Whatever his act they are dictated by his own conscience, rather than by a mob of onlookers. It is difficult to exaggerate the importance of this fact.
Aldo Leopold, The Sand County Almanac.

A member of the New Zealand Deerstalkers' Association Incorporated will be expected to;

1. Approach recreational hunting from the highest possible level of ethics, having due regard to the welfare of the animals hunted, and prevention of cruelty to the same
2. Not hunt or carry a firearm on property without the proper approval of the owner, occupier of controlling authority and shall strictly observe any conditions imposed upon him
3. Be a responsible firearms owner and abide by current Firearms Laws
4. Avoid unnecessary or deliberate damage to the environment, respect property, and other users of the outdoors
5. Advocate sensible conservation practices at all times and promote New Zealand's biodiversity 'in situ'
6. Practise the Field Guidelines when out hunting
7. Be exemplary members of NZDA by promoting and abiding by its Rules, Field Guidelines and this Code of Ethics.
