Presidents Report's – September 2016

Hello to you all and welcome to new members to our Club.

Spring is just around the corner and it is a great excuse to get out for a hunt and shake of the winter blues. It's great to see our Facebook page being used to communicate an opportunity for a hunt with other members. This is a great way to organise a hunt and far quicker than phoning around or emailing.

The speaker for September Club night will be Glen from Broncos presenting a range of scopes. Could be helpful on the upcoming Tahr trip.

For the October Club night we will have Gary Joll to entertain us and I'm sure he will have his latest book on offer so come prepared with your piggy bank. Gary is the former owner of Lillybank Station and has probably seen more than his fair share of Tahr so it should be an interesting night.

Grant Hammond is organising a working bee at the range on Saturday 3rd of September so come out and help if you are able.

That's about all from me for this month. See you at the club night.

Regards Clyde

A wee note from the editor… Just a tip to make my job easier! Any updates that are just text can be sent through as text in the body of an email. There is no need to create a Word document. Its easier for me to copy from the body of an email, and I can add headers and sub-titles as required. But if Word is easier for you, then that is just fine too! We just love getting your stories and updates - so keep them coming!!!

Range Working Bee

We have a range working be on Saturday 3rd September from 8.30 am – 12 pm to do the following maintenance tasks:

1. Rebuild 200m target backers. We need to put in 8 new post, re-frame up the backing boards and move the ply sheets across 600mm to line up properly.
2. Replace shot out ply backers
3. Install a 150 deep strip of ply along top of all target lines to force shooters to fix targets below this line
4. Re-fill rubber in plastic drums
5. Dig out the stormwater channel along the back of the firing line structure

Bring your building tools, spade and wheelbarrows.

We also need to take one of the 6m x 375 dia culvert pipes back to our Tauriko clubrooms to install by the entry driveway, so has anyone got access to a long trailer that can take a 6m long load to transport the culvert back to Tauriko?

BOP Branch Personal Locator Beacons (PLB's) For Hire

Available to Branch members for hire. These devices can save lives by drastically reducing Search and Rescue times.

Members will need to:

1. Book the units in advance.
2. Be a current member and show their membership card when picking them up.
3. Fill in an Outdoors Intention Form to be held by the Branch custodian issuing the unit.
4. Pay a $40 cash bond, refundable on return, in original condition and on time.
5. Pay a $10-20 donation per trip, on return, for hire of the unit.

Hire will be on a per trip basis, based on a maximum of a 21 day trip. The units will not be insured because of the cost, so any damage or loss will be payable by the user (approx. $640). There is no cost for the renewal of the unit if it is used in an emergency but if possible we will need it returned. Any costs incurred for rescue by emergency services or false PLB activation will be the sole responsibility of the user.

Branch PLB Custodians:

- Dean Maisey, Welcome Bay, Ph. 544 2207
- Keith Theobald, Greerton, Ph. 578 1195
- Baden Prentice, Bethlehem, Ph. 579 3107 (pick up can also be made from Newton St, Mt Maunganui by prior arrangement)

Hunting Safety Guidelines

Hunting Safety Guidelines (Some suggestions from committee discussions)

1. It is recommended that hunters wear Hi-Viz clothing at all times while in the hunting block.
2. Alcohol may only be consumed after the days hunting is completed.
3. Illicit drugs will not be tolerated.
4. Only load your weapon when ready to shoot at your quarry.
5. Identify your target beyond any doubt.
6. Check the firing zone for people, non-target stock, buildings etc.
7. Never fire above the skyline.
8. Unload your weapon with the barrel pointing away from any potential hazards.
9. Never skylark with weapons.

CODE OF ETHICS

A peculiar virtue in wildlife ethics is that the hunter ordinarily has no gallery to applaud or disapprove of his conduct. Whatever his act they are dictated by his own conscience, rather than by a mob of onlookers. It is difficult to exaggerate the importance of this fact.
Aldo Leopold, The Sand County Almanac.

A member of the New Zealand Deerstalkers' Association Incorporated will be expected to;

1. Approach recreational hunting from the highest possible level of ethics, having due regard to the welfare of the animals hunted, and prevention of cruelty to the same
2. Not hunt or carry a firearm on property without the proper approval of the owner, occupier of controlling authority and shall strictly observe any conditions imposed upon him
3. Be a responsible firearms owner and abide by current Firearms Laws
4. Avoid unnecessary or deliberate damage to the environment, respect property, and other users of the outdoors
5. Advocate sensible conservation practices at all times and promote New Zealand's biodiversity 'in situ'
6. Practise the Field Guidelines when out hunting
7. Be exemplary members of NZDA by promoting and abiding by its Rules, Field Guidelines and this Code of Ethics.

Give Your Fence
A Brand New Look

Fence Guard is a 100% acrylic specifically designed for fences. It can be applied directly to timber without the need of a primer or undercoat. It has a very low sheen level which is particularly suitable for coating rough sawn or textured surfaces.

Come in and talk to us at Versatile Products and we can give you simple instructions on how to get your fences and other exterior timber looking brand new again.
