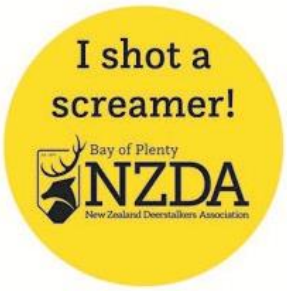
Benchrest Screamer Awards
Centrefire – Short Range

A screamer award is given to shooters that meet one these two criteria during a club benchrest shooting competition day:

- Shoot a new club record for either group or score (must be a 5 shot group using the moving target backer system or a 3 target aggregate when shooting for score.
- Shoot an exceptional group or score as per the tables below.



It is issued as a Ø28mm sticker that you can display on your rifle stock

There is no limit as to how many awards a competitor can earn.
