Presidents Report – June 2019

Welcome everyone to this month's newsletter.

By the time you read this newsletter the measuring night will be over for another year and the preparations for the Dinner and Prizegiving on 22nd June will be under way.

Over the last few years we have tried different formats for the dinner in order to try and increase the number of members attending. This year the dinner will be FREE!!!! Yep that's right free, so hopefully if you are tossing up between taking the missus to the pub or restaurant where you will have to pay, our dinner will be free. All you have to do is bring your own refreshments and either a salad or a desert. The club will be supplying all the meat and some hot vegetables.

Paul will be cooking up a nice ham for the dinner in his charcoal BBQ and I can say from previous dinners how good they taste. There will also be venison hot pots. This is a great opportunity for new and old members to bring their partners along and enjoy the evening.

In order to cater for the numbers attending we will issue free tickets to the dinner and on those tickets we will indicate which dish to bring, either a salad or desert. Tickets will be available at club night or by phoning me (Clyde) on 021 1645 370 or 544 8634. Please notify me before 16th June if you are attending.
The last club night was well attended and I would like to say thanks to Les and Shane for the demonstration on processing a deer which everyone enjoyed.
We have a speaker for this month's club night from the Youth Search and Rescue Organisation which I'm sure will be of interest to our members.

Club Bulk Emails

Club bulk emails

It looks like quite a few of the emails we send out to members using our membership database by bulk email are getting rejected by members email providers.

If you not receiving emails from our branch, you mike need to your spam folder, and also make sure that club-249@club2ic.com is added to your safe list as this is the email address that send out our bulk emails.

Club hunts – getting you there and back safely

Just a quick note to inform you all about a new system that we're trialing for our 2018 hunting calendar. Many of you were attendance when our NZDA President, Bill O'Leary, spoke at a club night in 2017. He informed us all about our obligations under the new H&S laws, so in order to help meet them we're going to be trialing a 'signup' system for all club hunts. We've also recognized that many of our hunts require a lot of organization (e.g. the Thar hunt) so this system will help everyone involved. Details for signup…

- All participants wanting to participate in a planned club hunt need to signup at a club night.
- Signup forms for various hunts will be set out on a dedicated 'hunts' table and hopefully the organisers will be there to have a yarn with you.
- This will help insure the hunt organisers get a chance to meet you before the hunt and where necessary they can make allowances/provide recommendations for things like equipment or access.
- As part of this you will need to supply contact info for an emergency contact and info about any safety equipment you'll be carrying.
- As well as making us more organized, we hope this will grow participation at our club nights and allow new members to form new contacts with experienced hunters.

If anyone has any questions or suggestion to help improve this process please contact Tim, or feel free to have a yarn with any of our committee members.

Hunting Permit - Have you got one.

Just a reminder to all hunters no matter which area of DOC land you are hunting - BE SURE TO HAVE A CURRENT PERMIT. Of recent times while in the presents of DOC staff who have confronted 3 separate hunters and requested to see their permit in our local area none of them have been able to produce a permit. It costs nothing and takes only 2 minutes on your phone or computer.
By not having a permit you are in breach of fire arms code and with everything that has gone down over mass shootings and new fire arms laws the enforcement is only going to get more rigid.
In my experience there is also too many guns being taken into huts or near huts with closed bolts. Even if you have checked and are positive that your gun is safe anybody else seeing your gun has any idea that you have done the right thing or not. It is not hard to just remove the bolt in most guns before putting the gun in the least conspicuous place you can find. You might stay to hell with others but as the public are getting more and more paranoid about firearms I think it is up to us as responsible firearms licence holders to display as much empathy as is practical for the privilege of holding such licences. Once it was our right but it is fast becoming a privilege to hold a firearms licence.

CODE OF ETHICS

A peculiar virtue in wildlife ethics is that the hunter ordinarily has no gallery to applaud or disapprove of his conduct. Whatever his act they are dictated by his own conscience, rather than by a mob of onlookers. It is difficult to exaggerate the importance of this fact.
Aldo Leopold, The Sand County Almanac.

A member of the New Zealand Deerstalkers' Association Incorporated will be expected to;

1. Approach recreational hunting from the highest possible level of ethics, having due regard to the welfare of the animals hunted, and prevention of cruelty to the same
2. Not hunt or carry a firearm on property without the proper approval of the owner, occupier of controlling authority and shall strictly observe any conditions imposed upon him
3. Be a responsible firearms owner and abide by current Firearms Laws
4. Avoid unnecessary or deliberate damage to the environment, respect property, and other users of the outdoors
5. Advocate sensible conservation practices at all times and promote New Zealand's biodiversity 'in situ'
6. Practice the Field Guidelines when out hunting
7. Be exemplary members of NZDA by promoting and abiding by its Rules, Field Guidelines and this Code of Ethics.
